Verify your email address
To finish setting up your Microsoft account, we just need to make sure this email address is yours.
To verify your email address use this security code: 0699
If you didn't request this code, you can safely ignore this email. Someone else might have typed your email address by mistake.
Thanks,
The Microsoft account team

Is your security info still accurate?
We just want to make sure this security info is up-to-date, so we can use it to verify your identity or alert you if there's ever a problem with your account.
tgfgscript@yahoo.com
I don't have any of these
Update now
Looks good!
